Brooklyn Marie

Indie-pop singer-songwriter with a country flair

NBC'S THE VOICE · SEASON 30 · TEAM KELLY CLARKSON

Brooklyn Marie is an indie-pop singer-songwriter with a country flair from Alexandria, Minnesota. She performs at wineries, breweries, festivals, theaters, weddings and events across Minnesota and the Upper Midwest — moving easily between her own songs and the ones everyone in the room already knows. As seen on Season 30 of NBC's The Voice, Team Kelly Clarkson.

A working singer-songwriter at heart, Brooklyn is at home playing one- to four-hour sets, performs with her own P.A. and audio engineer, and has a growing catalog of original music. But what people remember most isn't simply how Brooklyn sounds — it's how her music makes them feel.

> "The more the crowd engages, the more fun I have bringing music alive."
